

OneSearch Activity

1. Use OneSearch to find a **peer-reviewed academic article** on your topic, and email it to yourself/save to your account.

Title of article: _____

Name of the journal: _____

2. Now find a **popular article** (newspaper, magazine, etc.) on your topic, and email it to yourself/save to your account.

Title of article: _____

Name of the publication: _____

3. Write down **TWO differences** between these two sources. Things to consider:

- *Content, format, language*
- *Audience (Who is this written for? Who would read it?)*
- *Purpose (Why was this written & published?)*
- *Authors (What are their jobs? What is their expertise in the subject? You can Google them!)*
